

# NOTICE TO STATE WATER PROJECT CONTRACTORS

NUMBER: 99-06

DATE: March 10, 1999

SUBJECT: 1999 Entitlement  
Allocation Increase

FROM:

*Steph S. Kashwada*  
Deputy Director, Department of Water Resources

The Department of Water Resources is increasing the 1999 Entitlement Allocation to 3.21 million acre-feet for long-term State Water Project contractors. SWP supplies are now projected to meet 100 percent of all SWP contractors' Table A entitlement requests. A table showing this increased 1999 SWP allocation of entitlement water is enclosed.

DWR is allocating water to users as soon as feasible to help contractors plan their 1999 operations. Prior to determining the increased allocation, DWR considered numerous factors, including existing storage in SWP conservation reservoirs, a conservative projection of hydrology and water supply for the remainder of the 1999 calendar year based on the March 1, 1999 snow survey, SWP operational constraints, and 1999 contractor demands and maximum contractual delivery rates. SWP contractors' Table A for 1999 totals 4.12 million acre-feet of which 3.21 million acre-feet was requested as of March 10, 1999.

If you have any questions, please contact Donald R. Long, Chief of DWR's State Water Project Analysis Office, at (916) 653-4313, or you may call Tom Hanson of his staff at (916) 653-0190.
